WHY AN AIRTRACK?

You can practice your skills at home, with friends or anywhere at all, with BERG AirTracks. This innovative air mat offers you the perfect surface for performing all your moves and tricks perfectly. BERG AirTracks provide plenty of grip and can be adjusted to the bounce level you prefer.

All BERG AirTracks come with clever connecting strips, so you can extend your surface as much as you want. It is easy to take them anywhere, and they can be inflated quickly using the hand pump. With a BERG AirTrack as a surface, you can move however you want, safely and in comfort. Perfect for fitness, gym, dance and yoga.

2 years warranty on the AirTracks.

1. AIRTRACKS SERIES

BERG AirTracks come in three versions: for recreational use there are the AirTrack Home 300 and 500. These are 100 cm wide and up to 10 cm thick. The AirTrack Sport 500 is wider (140 cm) and also thicker (20 cm), making it also suitable for experienced athletes. The material is extremely strong and lightweight.

All AirTracks come with a hand pump. So you can pump up your AirTrack and use it anywhere.

2. AIRTRACK HOME 300

BERG Airtrack Home 300 is a compact model, suitable for recreational use. Ideal if you have little space or need little space. The mat is 1 meter wide, 3 meters long and 10 cm thick.

Fitted with connection strips to join multiple AirTracks together to make one long AirTrack.

3. AIRTRACK HOME 500

BERG Airtrack Home 500 has the same features as the BERG Airtrack Home 300, but in XL-size. With a length of 5 meters, you have more space for your exercises.

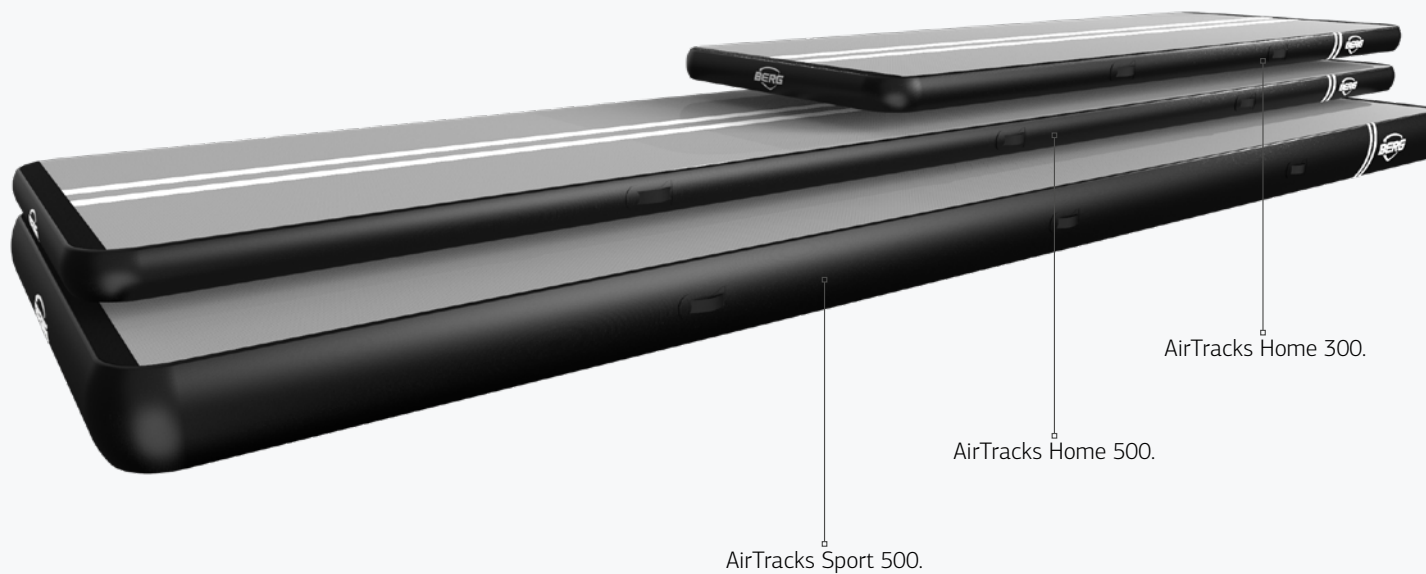

4. AIRTRACK SPORT 500

The BERG Airtrack Sport 500 is the same length as the Airtrack Home 500, but considerably wider with a width of 1.40 meters. The mat is also twice as thick, 20 cm. Ideal for the advanced jumper or experienced athlete.
